

I - 218

A subwoofer that comes with the series-I, uses 02 FaitalPro Neodymium 18HP 1010 drivers that reproduce the ultra-low range. The large size of the Speaker will give powerful sound quality. The product I - 218 effectively enhances low-frequency performance, delivering vibrant full-range sound.

Bass reflex speaker combined with a closed cabinet provides better bass reproduction, reduces noise or negative signal changes.

Premium ferrite magnets in the I - 218 speaker deliver perfect sound, with deep, powerful bass. The bass range is also not lost or distorted.
